Hotel Information

Here is a listing of hotels that are in the vicinity of our show. Since we do not stay at these establishments, we would like your honest opinion of them when you come to our show.

Lindbergh High School is located at 4900 South Lindbergh Boulevard, a street which runs almost the full length of St Louis County. The High School is about one mile south of Gravois Road, and about one block South of Sappington Road. If you're coming from North County, and drive through Kirkwood, our neighboring community, the street is actually named Kirkwood Road. Don't let that fool you - it's still Lindbergh for most of the distance.
